

YASOU
GREEK BISTRO

Yasou is a traditional Greek expression that means “health to you!” “Ya” comes from the Greek word “yueia”, which means “health” and “sou” (oou) means “your”. Yasou is used as a greeting when saying hello and goodbye and is also toast when drinking, similar to the English expression “cheers”.

Here at Yasou Bistro, our authentic, homemade cuisine boasts traditional recipes brought directly from Greece by the owners who came to America decades ago. Greek food is famous for taking simple, fresh ingredients like vegetables, cheese, olive oil, meat, fish, bread and herbs and making them into extraordinary creations. We continue this custom by using the freshest ingredients to ensure great quality and flavor. We hope you enjoy our taste of Greece and we wish you health and cheers, “Yasou!”
